ATTN: ALL IBEW LOCAL 1393 MEMBERS

SUBJECT: April 2020 Unit Meetings – CANCELLED

Dear Sisters & Brothers:

I am sure you all know about the current outbreak of the coronavirus disease (COVID-19) in the United States.

After much contemplation the Local has decided that in order to provide protection to our membership and in order to follow the guidelines set forth by the State Health Department to not hold any meetings with 10 or more people, **the Local has cancelled all unit meetings at all locations for the month of April.**

The Local will remain open for support to the membership. However, the Local's office will not be allowing any foot traffic into the building starting March 23, 2020 and will continue this practice until at least April 6, 2020. At that time this matter will be re-evaluated. Our website will be updated once any further decisions are made to extend such restriction.

The Local's outside construction dispatching department will remain open and will be operating normally, with the exception of walk-in book sign-ups. If anyone does not have online access to electronic book signs, we urge you to contact the hall for assistance.

This is an unprecedented time and it is in times like this that we must step up and continue to provide leadership with our skills for the general public. However, the safety of families is our #1 priority. We can all weather this pandemic if we continue to follow the proper safeguards and hygiene practices.

Fraternally,

Robert C. Fox
